

Nil aqua®

Nil aqua's® range of towel off bathing products allow you to wash safely and effectively without using any additional water or rinsing. Ideal for bedbound washing as Nil aqua saves a huge amount of time, especially without the usual hassle of trying to use bowls of water to rinse.

The Nil aqua® range of rinse free personal care solutions leave your body clean and fresh from head-to-toe.

Simple, fast and effective

These amazing products are water based and leave no sticky residues. Simply apply the liquid directly and generously to your body, until wet, massage to release dirt and grease, and then simply remove by thoroughly towel drying!

The perfect alternative to traditional bathing

Care industry

Nil aqua® is used in many hospitals, care homes and for those who find it difficult to bath especially convalescing, Alzheimers, Parkinson's,

MS, palliative care, elderly and disabled.

Nil aqua's® towel off products are recommended by many organisations, they provide a fast and simple way for bedbound or limited mobility patients to retain their dignity and reduce many of the stresses and struggles associated with patient care and personal hygiene.

Nil aqua® is also used for many other reasons: i.e freshen up between washes or with incontinence as the body wash has dual benefits.

Business Benefits

Nil aqua cuts bathing time in half, improving patient hygiene, reducing energy costs and patient stress saving nurses time to complete other tasks (please ask for case study)

Nil aqua is also eco friendly solution to washing, saving thousands of litres of water, reducing energy bills & reducing waste such as wipes.
