

CUSTOM PROPEL®

ADAPTIVE CLOTHING AND FOOTWEAR

**People stare,
make it worth it**

Custom Propel® Ltd is born out of a belief that seated clothing and footwear should no longer have the age-old stigma attached to it, and that everyone deserves to look good.

We believe that the products we offer are the very best quality, with service to match.

We have worked in the seating industry for a combined 50 years and feel that it is time for a change in approach for fashion, style and quality.

Having worked with brands from around the world, we have been able to bring together a unique (and growing) collection of apparel, footwear and seated accessories that stand out from the crowd.

We truly hope that you enjoy our products and if you have any questions, then please get in touch.
